

WELCOME

goodwater is inspired by the native american name for the ohio, a river critical to the development of american whiskey. we like nerdy stuff like that, but we also just love to have a good time with good drinks, good snacks and good people.

we aim to provide a fun, safe and socially inclusive environment for our community to catch up with friends and enjoy each other's (and hopefully our) company.

everyone is welcome as long as they are not negatively impacting anyone else.

if at any stage you are made to feel uncomfortable by anyone, please come and talk to the team or feel free to shoot us a message on 0478 129 499 so we can help.

please & thanks.
